

FAMILY DEVOTION

THE ROCK:
“What’s the Catch?”

“If I’m Gonna Follow Jesus, Gotta Give Him My All!”

“So you cannot become my disciple without giving up everything you own.” – Luke 14:33

SAY:

Peter was just an average, ordinary guy. He was a fisherman by trade, and he knew nothing but fishing. That is, until Jesus called him to become a follower.

READ:

Luke 5:1-11

DISCUSS:

- What is the name of the disciple we just read about?
- What was Peter’s name before Jesus changed it?
- What kind of job did Peter have?
- What happened when Peter let down his nets in the deep water?
- Did Peter leave behind his boat and nets to follow Jesus?

SAY:

Peter had to be willing to leave behind everything he had worked his whole life to build. He dropped his nets, left his fishing business, and followed Jesus everywhere He went for the next three years.

God wants to use average, ordinary people like Peter to do BIG things for Him. If we are willing to give up our dreams for God’s dreams and leave our “old life” behind, God can use us to change the world—just as He did with Peter.

DISCUSS:

- What have you been unwilling to give to God that has held you back from being used by Him?

PRAY:

Pray that God will help your children to obey Him and give Him everything so they can do BIG things for God.
